Greetings Fellow Rockhounds!

By now you have seen messages and heard about our push to fill-in and sign up for time slots for working at the Show in September. Suzanne has sent out to everyone with email access, the links to not only sign up for work, but also to donate foodstuffs for the Hospitality area. I am gratified that I have been approached by several new members to get explanations for what some of the work slots entail. That tells me that people are interested in helping out, and taking the time to volunteer. Let's face it, we need ALL of you to make this work. This Show is the biggest event of our year, the financial benefits of which we base our budget for the future.

Library displays are also going in, and by this month's meeting we will be distributing and displaying yard signs. We will have flyers and coupons available for our club members to post and distribute. If we all take advertising seriously, and talk the event up among our friends, we will have a great turnout!

Elsewhere in this issue, you will find ordering info for Toledo Gem & Rockhound Club T-Shirts, last year we ordered Polo shirts and with many of our club members wearing them, we made a very professional impact with the public. These T-Shirts will continue this trend, with a much lower price, so I encourage all of you to order them and either wear your Polo from last year or these new T-shirts.

The various Committee Chairpersons are collecting donations to help their respective areas runs smoothly. If you have material to donate, please contact one of those persons, or bring your donations in to the August club meeting.

- We need small rock and mineral samples, tumbled stones, small prizes etc. for the Kid's area.
- We need nice prizes – jewelry, carvings, nice mineral specimens etc for the Raffle.
- We need lots of rock and minerals specimens for the Club Sales and Silent Auction areas. Remember, we voted as a club to donate to the MWF on an individual basis for their Silent Auction.

This year, as we host the MWF Convention, we will be representing our club to a much larger audience; I want to be able to demonstrate that we have a club to be proud of. So I am counting on every one of you to do your part to make this event run smoothly. You are a great bunch of people and I count many of you as my closest friends – See you at the SHOW!

Jerri Heer, President

TG&RC MEETING MINUTES – July 20, 2011

President Jerri Heer called the meeting to order at 8:00 pm and began with the Pledge of Allegiance.

Secretary’s Report: approved by Tom Marok and Kerry Myers. Motion carried.

Treasurer’s Report: approval by Tom Marok and seconded by Linda Scharer. Motion carried

Old Business: a.) Repairs to Craft Center continue, screen door now installed. Many thanks to our devoted members who helped. b.) Snack donation for meetings – help from other members discussed. August meeting: Linda Scharer and Shirley Strieb volunteered.

New Business: a.) Delegation for Convention – Ruth Jacobs and Natalie Hill as alternate. b.) Track light in Metal craft side not working.

TBG Liaison: Sunday, August 7 is Arts in the Garden. New volunteer forms available. Need help with children’s program per Chet King.

Group Reports

Gemcrafters: Make sure switches are off when leaving the Craft Center

Metalcrafters: check the Rocky Reader for the schedule

Beaders: Third Monday of the month at 6:00pm

Extreme Beaders: Every Tuesday, 9am – 5pm through summer

Faceteers II: 1st and 3rd Tuesdays at 6:30 pm. Adding one Saturday per month – let Elie Ghanime know if you plan to come.

Juniors: Next meeting July 24, studying mineral ID and making ID field kits

Rocky Reader: Deadline Monday the week after the meeting

Membership: 38 members plus 1 new member

Sunshine: Mike Burcewicz and Ed Reynolds

Field Trips: MWF delegates will have trip to Silica quarry Saturday morning during the Show. KY trip August 19 -21 – Let Harold Burleson know by next week
Joe Motter trip to Herkimer NY Sept 18 – 22
Jerri Heer plans trip to MO October 14 – 17

Show: Asking for small geology related items for kids mine sand game. Tickets available that provide a discount to the show.

With no further business the meeting was adjourned at 8:58 pm. Open house raffle followed.

Respectfully submitted by Mike Mayers, Secretary

2011 SHOW & MWF CONVENTION

Attention all members! The Show is just over 5 weeks away and we really need your help. Every year our committee spends countless hours planning, advertising, and coordinating all the necessary details for a great Show, but we still need your support to pull it off!

For those new members who are not familiar with the Show, it is a 3-day event held at the Stranahan annually the weekend after Labor Day. It's the club's main source of income and helps to subsidize the costs of running the club so we can keep your membership dues and class fees to a minimum.

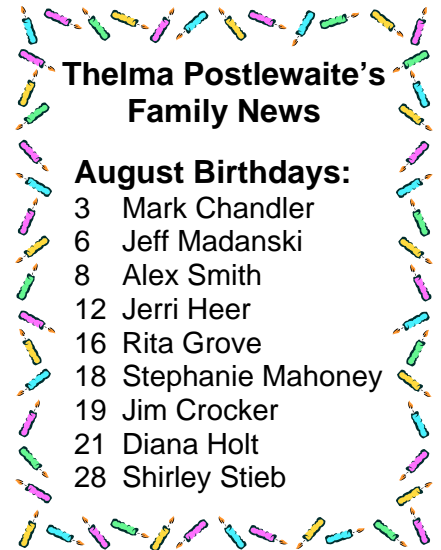

Go to the link below and a document should open in your web browser. The document shows the list of areas we need volunteers to work during the show. The days are broken down into 2-hour slots. Unless prior arrangements are made, you are expected to work the full 2-hour window. You may sign up for as many slots as you are capable. We are asking that people no longer "hang out" at their favorite station all weekend long. If you want to work in that area, you must be signed up. You will get free admission to the Show the day you're scheduled to work.

This is the time to sign up for the positions and times you want before we start contacting members to fill in the open slots. Go to: https://spreadsheets.google.com/spreadsheet/ccc?key=0AtaUDF4ZrI3-dFJJT2M1RkY2ZEFpa0RVVC1qM1FCN0E&hl=en_US

You will also notice a "Hospitality" tab at the bottom of the document. We have created a menu of food items needed to "feed the hungry workers" during the setup hours only. If you are able to provide an item, please fill out the sheet accordingly.

There are many other ways to help as well.

1. We need donations for of rock, gem, mineral, jewelry, carvings, supplies, etc. to be sold in the silent auction or placed as prizes in the scholarship raffle.
2. The kids' area would like the following items: tumbled stones, shells, dime size "rough" minerals, 25 cent game prizes, craft supplies (pom poms, wiggly eyes, pipe cleaners, tacky glue, glitter glue, etc).
3. Help us advertise! Tell everyone you know about the show. We have yard signs available if you wish to put one out. In August you will receive a mailing with coupons for 50 cents off admission and will receive another email that you may forward to anyone who may be interested.

Donations may be brought to the August meeting or dropped off at the craft center during any of the group meetings. Please mark your donation with your name and intended use (raffle, kids, club sales, etc).

If you have any problems with the link, let me know. And if you're not sure about the responsibilities of the different work areas, just ask. Thanks for your continued support!

Suzanne Shimatzki, Show Co-Chair

JUNIORS

We had a great meeting on July 24th and look forward to continuing our study of rocks and minerals at our next meeting, August 28th. We will be concentrating on studying crystals next time. For further information, contact Jerri Heer, 419-344-9999 or jheerx6@aol.com.

LOST & FOUND

They are multiplying!!! There are now 2 jackets in L&F: the winter black jacket, left at a club meeting during the winter; and a lighter jacket, left at the Craft Center during a Gemcrafter session. Please check your closets. They are both waiting for pick up, at the Craft Center.

METALCRAFTERS

The metalcrafters will meet on August 11, 21 and 25. The times for Sunday meetings are 1:30-3:30 and for Thursday meetings are 6:30-8:30. If you **HAVE NEVER ATTENDED**, please call or e-mail me (debhoffmaster@gmail.com) to schedule a three meeting slot to complete the instructional pendant. When you do so, please **LEAVE YOUR FULL NAME AND CONTACT INFORMATION**.

We **WILL NOT MEET ON AUGUST 7** as that is ARTS in the Garden. If you are interested in volunteering to help with children's activities for this event, please contact Jerri Heer or Chet King Jr.

Deb Hoffmaster, Metalcraft moderator

BEADERS

Monthly Beaders will be meeting from 6 PM to 8 PM (note time change) on the third Monday of the month through November. Monthly Beaders are currently working on learning geometric shape techniques. Basic materials are available for use by new attendees. This is a good opportunity for new beaders to learn basic techniques and learn what beading is all about.

EXTREME BEADERS

Extreme Beaders are now meeting on the weekly summer schedule, Tuesdays, 9-5, at the Craft Center. New attendees should contact Shirley Stieb or Kathy Petersen for a materials list, and to schedule their initial instruction.

GEMCRAFTERS

All new members or existing members that need to work in the Gem-craft center to cut and polish cabochon **for the first time**, please call or email Elie or Chet to schedule a meeting slot for your training to complete your first cabochon AND PLEASE LEAVE YOUR FULL NAME AND CONTACT INFORMATION.

DAYTIME GEMCRAFTERS

Every Thursday from Noon – 4 PM. This is a great opportunity to cut and polish as we are open for a four hour block of time, and often have fewer people working. We are open to the public for observation, so TBG may be advertising our availability. For more information, contact Jerri Heer, 419-344-9999.

TG&RC T-SHIRT SALE

As requested, we have made arrangements to have Club T-Shirts printed. There will be two styles; with and without pockets. Please go online to the link below or call/email your order to Jerri Heer (*email is preferred so that I have a written record!) 419-344-9999 or jheerx6@aol.com. Orders will be taken through the night of the August Meeting. You may pay in advance at the August meeting or when you pick the shirts up at the Show. They should be available on or before Thursday, Sept 8, 2011.

<https://spreadsheets.google.com/spreadsheet/viewform?formkey=dGNwVC13ZE11dlBmWlhieFpfRDZ3cVE6MA>

50/50 Poly/Cotton T's - No Pockets

Adult Sizes S-XL	\$6.00
Adult Sizes 2XL-4XL	\$8.50
Youth Sizes S-L	\$5.50

50/50 Poly/Cotton T's - WITH Pockets

Adult Sizes S-XL	\$8.00
Adult Sizes 2XL-3XL	\$10.00

If you email your order, I will be able to send a confirmation and total due. I hope everyone will be able to have either this year's T-Shirt or last year's Polo for the Show, it really makes a great professional impression!

TG&RC POLO SHIRTS

There are still some polo shirts left from last year's order. Sizes available are: Mens 3XL, 2XL, XL; Ladies 3XL, 2XL, XL (3), M, S. There is only 1 of each size unless noted, so don't delay! Costs are \$15 each (\$16.50 for 2XL & 3XL sizes). If you wish to purchase any, contact Steve Shimatzki at 419-861-0147 or sis132@accesstoledo.com.

SCHOLARSHIP RAFFLE

All members will be receiving a mailing that includes tickets for our scholarship raffle held September 11. The proceeds of the raffle fund scholarships for geology students at Bowling Green State University and the University of Toledo. Below is a letter we received from a scholarship recipient this past year. Please help support these scholarships by purchasing/selling these tickets and consider donating prizes. You'll see from Brittany's letter, that it really makes a difference!

"Dear Toledo Gem and Rockhound Club Members, Thank you so much for your donation for the Toledo Gem and Rockhound Scholarship. It means so much to me to receive your support in furthering my education. You have helped me realize that my dreams can come true and that I am already on my path to them coming true. I appreciate this so much. Before I came to school I did not think that I would ever really succeed in what I want to accomplish with my life but with support like yours I have realized that I can reach my goals. I am a first generation college student so my education is not only important to myself but my family as well. They would like you to know how thankful they are as well. Not a lot of people can ever see generosity like yours in their lifetime and it is so inspiring to me to have the honor of being effected by your generosity. You have not only helped me but my peer as well. I believe that good deeds inspire more good deeds and I hope one day I can help students achieve their goals like you have helped me. Thank you so much. Sincerely, Brittany Muncy"

CLASSES

The following schedule is a listing of upcoming classes. To enroll, please send fees to the instructor three weeks prior to the class.

November 12, 2011 10AM. Enameling. Instructor Harriet Nearing. Fee \$40.00 - payable to Debra Hoffmaster. Learn the scrolling technique to produce enamels with swirling patterns of color. Participants will produce several pieces suitable for use as pins or pendants. Copper blanks will be supplied

January 21, 2012 10AM. Chased and hydraulically formed cuff bracelet. Instructor Debra Hoffmaster. Fee \$20.00. Use the hydraulic press to raise a cuff bracelet from a strip of chased metal. Participants will need to supply a 2.5" X 6" strip of 24 gage copper or Argentium silver

February 18, 2012 10AM. Clasps, Clasps, Clasps. Instructor Debra Hoffmaster. Fee \$20.00. Not all clasps are hard to make. Learn to make a variety of simple hook and eye or toggle clasps for bracelets and necklaces. A list of the necessary materials will be available upon registration.

March 17, 2012 10AM. Chainmaille. Instructor Kathy Petersen. Fee \$20.00. Learn to make the dragon tail design. A list of the necessary materials will be available upon registration. Depending on enrollment, bulk purchasing of materials may be possible.

April 21, 2012 10AM. Fold Forming. Instructor Debra Hoffmaster. Fee \$20.00. Learn to fold metal to create surface texture and volume. A list of the necessary materials will be available upon registration.

April 28, 2012 10AM. Enameling. Instructor Harriet Nearing. Fee \$40.00 - payable to Debra Hoffmaster. Learn to enamel on flat and fold-formed copper. You do not have to have taken the fold-forming class to register for this class

COMING EVENTS from Chetty King's Flyer Table

August 6-10: Jackson, MI. Huge private collection of rocks and minerals from around the world for sale (& yard sale items too). Pre-sale for members of Gem & Mineral clubs on August 6 from 10-5. Rock club members can join in a potluck from 1-3 PM with the Michigan Gem and Mineral Society of Jackson, bring a passing dish. Sale opens to the public on August 7-10 from 10-5. Collection belongs to: Mike Hoover, 224 Randolph St, Jackson, MI 49203. Phone: (517) 416-7182 or email mhoover224@comcast.net.

August 8-13: Houghton, MI. Annual Copper Country Mineral Retreat. Schedule of events are located on the website for the Mineral Museum: http://www.museum.mtu.edu/copper_country_mineral/index.html. Also of note this year is the REOPENING of the A.E. Seaman Mineral Museum. To make this a fun event there will also be an outdoor picnic. To participate in the food, you must pre-register.

August 20: Clio, MI. 9th Annual Swap Meet, Flint Rock & Gem Club, G-11350 N Saginaw Rd (M54), ½ mile S of Vienna Rd Sat 9:00-5:00, Contact: Jim Adames, (989) 723-6951, jdjlha@earthlink.net

August 26-28: South Bend, IN. 48th annual show and sale; Michiana Gem & Mineral Society; St. Joseph County 4-H Fairgrounds, Esther Singer Bldg., 5177 S. Ironwood Rd., at Jackson Rd.; Fri. 2-7, Sat. 10-6, Sun. 10-4; adults \$3, children (6-12) \$1, under 6 free; dealers, gems, fossils, minerals, jewelry, demonstrations, exhibits, Kids' Korner, silent auction; contact Marie Crull, (574) 272-7209; e-mail: crullb2@sbcglobal.net; Web site: <http://sauktown.com/Michiana>

September 17-18: Falls of the Ohio State Park 17th annual Falls Fossil Festival at one of the world's most spectacular naturally exposed fossil beds! Features outdoor vendors selling fossils, minerals, books, items with a geo-science theme and food. There are fossil bed tours and special programs from knowledgeable paleontologists and geologists in the Interpretive Center. Details can be found at <http://www.fallsoftheohio.org/FallsFossilFestivalProgram.html>. Contact agoldstein@dnr.in.gov with questions.

Crystal Visions; Just Dig Em Up

excerpt from

<http://www.nytimes.com/2011/07/29/nyregion/crystal-visions-revealed-mining-herkimer-diamonds.html>

For those thinking of getting back to Herkimer, the New York Times recently had an article online. Here is a taste of what you'll find at the other end of the link:

"It was a hot June day in Central New York, hardly a time to think of swinging a pick and sledge for recreation. But there they were: dozens of children, parents and retirees at the Herkimer Diamond Mines three sites, hammering through dolomite limestone like prisoners happy at hard labor, scrutinizing each cobble and crevice for a glistening treasure."

"What makes them so special is that quartz doesn't readily adhere to limestone. Instead of growing out of other quartz, Herkimer diamonds are completely formed at both ends, lying loose in their pockets, waiting to be found."
